**Item #HH319**

- **The lightest-weight toggle (3.39g)** available in our product range. Constructed from durable metal, it delivers a superior, heavy-duty tactile experience that plastic toggles cannot replicate.
- **INNOVATIVE ZERO-SLIP LOCK:** Features a mechanism that ensures 100% security on paracord and cording.
- **FLAWLESS & CUSTOMIZABLE:** Clean design, ready for customized laser logo engraving to seamlessly match your product line.

Securely lock your ice axe in place, preventing slippage while enabling fast, one-hand access.

Reliably secures bungee cord systems, firmly locking down helmets or other gear to prevent fall-off during transport.
