

# SANTANA SPINNER DOUBLE WHEEL 50MM

360°

HAIRLINE  
CAP

## SMOOTH MOTION DURABLE OPERATION

- The Whisper-Quiet Transit Our high-performance rubber material provides a smooth, "whisper-quiet" spinning experience engineered specifically for the urban commute.
- Industrial-Grade Housing Built for those who demand "heavy-duty" reliability. We've utilized a premium composite to ensure the housing survives the rigors of daily wear without compromising performance.
- Precision Sizing Optimally engineered in a 50mm profile, providing the perfect balance of agility and stability for urban environments.
- **Personalize Your Gear Interchangeable wheel caps to match your aesthetic:**  
 "Cut Rim": For a sharp, aggressive architectural look.  
 "Hairline": For a sophisticated, brushed-metallic texture.
