

ALUTICA TILT HEAD: CLIP HOOK (HH046)

- Engineered for rapid deployment, the Alutica Tilt Head Clip Hook features an intuitive design optimized for seamless, one-handed operation.
- Its ultra-lightweight yet robust architecture makes it the premier choice for high-performance outdoor equipment, and technical carry systems.
- Designed with a snag-free profile, the hook eliminates sharp edges to protect your fabric and gear from abrasion.
- Size: 10mm, 15mm, 20mm, 25mm, 38mm
