

ALUTICA_TILT HEAD: CARABINER

ITEM: HH140

LIFESTYLE

- **Premium Material:** Constructed from aircraft-grade aluminum, ensuring exceptional durability and lightweight performance.
- **Ergonomic Design:** Features an ergonomic shape that enables easy one-handed operation, allowing for swift adjustments even while wearing gloves or under tension.
- **Sleek Profile:** A slim-fit style ensures the hardware is not bulky, making it ideal for gear requiring a low-profile look.
- **Customization Ready:** Large surface area available for laser etching, allowing for private labeling and custom logo branding.
