

METASTICS™ _TUBULAR T PULLER (ZL016)

- The aluminum tube and plastic grip offer a simple yet tasteful style on the zipper puller.
- The T-shape allows convenient one-hand operation and can be used while wearing thick gloves for skiing and snowboarding.

ALUTICA SWIVEL SNAP HOOK (HH143)

- This swivel snap hook is made from strong, aircraft-grade aluminum and features excellent corrosion resistance.
- The webbing sizes 25mm, 32mm, and 38mm are available for this hook.
