

ALUTICA _ CAN TAP D-RING (HH025)

Crafted from aircraft-grade aluminum, this product is built for extra durability and high performance. Customize it with laser etching for private labels.

ALUTICA SWIVEL SNAP HOOK (HH143)

The 360-degree rotating D-shaped swivel eye prevents twisting, ensuring smooth use on dog leashes, camera bags, and purse straps alike. It's the versatile solution you need for broad applications.
