

ALUTICA TILT HEAD: CLIP HOOK (HH046)

HUNT & TACTICAL

The Tilt Head Series design enables smooth, one-handed operation, making attachment and detachment simple and quick, even when you're on the move. Its metallic gate ensures a secure closure without sacrificing ease of use.

Versatile applications:

- Attaching water bottles or gear to backpacks/ shoulder straps.
- Securing camping lights or supplies to tents/ tarps.
- Organizing keys (keychains).
- Use with webbing straps (available in multiple sizes up to 38mm).
