

# ALUTICA\_TILT HEAD: TOGGLE REGULAR

ITEM: HH157

- Built from durable metal, offering a superior, heavy-duty feel that plastic toggles cannot match.
- Features a mechanism that ensures 100% security on paracord and cording.
- Clean design, ready for customized laser logo engraving to seamlessly match your product line.
- Securely lock your ice axe in place, preventing slippage while enabling fast, one-hand access.
