

METASTICS™ DARTH VADER PIVOT HOOK

Item#: HH007

Size: 38mm, 50mm

Made with zinc alloy with POM through ultrasonic welding - strong and durable. The swivel hook helps the strap to stay twist-free as well.

This is one of the initial items of TRIMMERS. Over 10 years, we are proud that it is still one of favorite items from our customer.

This item can withstand up to 110kgf in tensional force for size 38mm, while the size 50mm can withstand up to 65kgf.
