

**Alutica Crook Tension Hook**

Item#: HH014

- The tension hook features a side curve design and a smooth edge, designed for superior user interaction and a comfortable feel.
- Crafted from aircraft-grade aluminum, this hook adds a premium, polished look to any strap system.
- Ready for your laser-etched private label detail.

**Alutica Tilt Head Tension Lock**

Item#: HH145

- Securely holds the webbing while being easy to control the length of the webbing.
- Designed with a minimalist, slim-fit profile, the hardware avoids unnecessary bulk, ensuring a clean aesthetic and seamless integration into low-profile gear.
