

EXCLUSIVE*

ALUMINUM BUCKLE

Strong and lightweight tension hook with custom debossed logo.

METASTICS™ MINI TUBULAR T PULLER

Item #: ZL042

Made with aluminum and plastic, this T-shaped puller is very easy to pull, even with thick gloves on.

METAL BUCKLE (EXCLUSIVE ITEM)

In addition to our existing inventory, our engineering team can develop brand-new tooling (molds) to produce custom components and finished goods that precisely match your design files. Your design, our expertise.
