

## METASTICS™ MINI TUBULAR T PULLER

**Item#:** ZL042

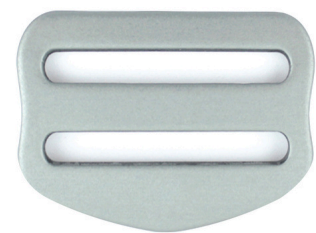

The combination of aluminum tube & plastic parts provides a trendy look for this zipper puller. The T-shape allows easy one-hand operation, even while wearing a pair of thick gloves.

## ALUTICA SQUARE TENSION HOOK

**Item#:** HH122

Left-side & right-side hooks are available for this item, with 2 webbing sizes: 20mm & 25mm. This item is suitable for any bags, including commute bags, fashion bags, duffels, and more.

## ALUTICA CORN HEAD BELT

**Item#:** HH043

The pointy shape provides extra space to grab on during operation, as well as space for a custom logo.
